A New Look!

VISA® Credit Card Statements

If you have an Achieva VISA credit card, you will notice that page one of your statement has a slightly different look now. We have added a chart which includes a **Late Payment Warning, Minimum Payment Warning, Time to Repay the Loan, and Consumer Credit Counseling Services contact number.** This new chart is intended to provide you with helpful information, and is a result of the Federal Credit Card Act law. Please contact us if you have questions about these changes.

This is a non-qualifying loan and the process is fast, easy, and best of all, **your approval is guaranteed!** Call us today at (727) 431-7680 for more details.

Annual Community Event

Giving Back

Our first Scrapbook Crop fundraiser was a great success! Approximately 60 "scrappers" spent their day doing what they enjoy most – scrapbooking. Consultants and vendors were on site to provide help and supplies for purchase, free classes were available for beginners, raffles throughout the day provided extra excitement, and lunch, drinks and snacks helped to keep everyone going. **Over \$2,200 was raised** and, along with other fundraising efforts later this year, will be used to help local disadvantaged schools. Thank you to our members and friends who participated!
