

The Merger is Complete

Welcome Members from SCCU

We extend a warm welcome to Sarasota Coastal Credit Union members who are now a part of our Achieva Credit Union family! Our merger is now complete and we are excited to have added five additional branch offices to our field of membership that serve Manatee, Sarasota, and Charlotte counties. **This merger brings 25,000 new members to Achieva and our branch offices now cover 150 miles of the Gulf coastline.** For you, our members, this also means that we not only offer more locations but also additional products and services to help simplify your life.

Start Kids Saving Early

Accounts for All Ages

Now that school's out for the summer, it's the perfect time to stop by your local Achieva branch to open a youth savings account and start your children on the road to financial success. **Our Kids Make Cents Club featuring Dollar Dog, All About Teens, and College Connection accounts cover them from birth to 23 years of age.** An investment of only \$1.00 opens their account and they're on their way to learning to be responsible for their finances! Visit our website at www.AchievaCU.com or stop by your local branch for more information about any of our youth accounts.

Changes - Please Read

Emerald Cash Rewards VISA®

Effective July 10, 2010, in order to earn Cash Back Rewards on your Emerald VISA credit card, you will no longer be required to have an active Achieva checking account, but you MUST activate monthly e-statements. There are also changes to the Cash Back tiers, and how much you will earn on the qualified purchases that you make. Please visit www.AchievaCU.com and search "Emerald Cash Rewards", visit your local Achieva branch, or contact a Member Service Advisor at mail@achievacu.com for more information.

Away for an extended time?

Please Keep Us Updated

If you will be away from your permanent residence for an **extended amount of time**, it is suggested that you change your address with us either by phone or by visiting one of our branch offices, to reflect your "temporary" address. Once you return to your permanent address, you will need to change the address on your accounts back to your permanent address. You can still utilize the USPS mail forwarding for your other mail. Thank you for keeping us updated!
